

ABS/USCG A60 General Purpose Modules

CERTIFIED MULTI-FUNCTIONAL MODULES FOR SAFE AREAS

Multi-functional

Office
Recreation Room
Laundry Module
Equipment Holding
Meeting Room

Fire Safety

Fire Detection with optional gas detection.

Recessed Ends

Utilities and connections in recessed ends - avoid damage and accidents.

Certifications

ABS
USCG
IMO & SOLAS

Multiple AC Systems

Multiple oversized AC units for redundancy.

Easy Installation

Twist lock installation for safer and quicker installation.

A60/H60/H120 Available

Built to highest level of structural fire protection.

HB Rentals' ABS A60 Linkable General Purpose Modules are flexibly designed to be configured to your specific needs. Superior engineering and construction allow our modules to stack in a variety of configurations, depending on host installation requirements.

Certifications:

- US Coast Guard 46CFR Subchapters I, I-A, L, SOLAS
- ABS Guide for Portable Accommodation Modules
- ABS Rules for Building and Classing Offshore Installations
- ABS Guide for Building and Classing Floating Production Installations
- ABS Rules for Building and Classing Mobile Offshore Drilling Units
- Rules for Building and Classing Steel Vessels
- Rules for Building and Classing Steel Vessels Under 90 Meters (295 feet) in Length
- Rules for Building and Classing Steel Barges
- Class I/Div II Capable
- IMO/SOLAS

Tested

- BS EN 12079

Multipurpose Functionality

- Recreation Room - Equipped with TVs, chairs and coffee tables.
- Fitness Center - Equipped with fitness equipment.
- Medical Bay - Designed with an exam table and sink.
- Laundry Module - With washers and dryers.
- Admin/Office - Complete with meeting tables, chairs and desks.
- Equipment Holding Module - Designate a space to hold project equipment.

Robust Climate Control System

- Split System - Easy maintenance with split condenser and air handler.
- Oversized AC System - Each AC system can provide airflow and AC to the entire module.

Robust Climate Control System (cont.)

- Independent Systems - Electrical disconnects allow for individual AC unit maintenance.

Superior Interior Construction

- Interlocking wall panel and ceiling design to decrease permeability.
- Easy maintenance material to facilitate house cleaning.

Superior Engineering and Construction

- Stack up to 5 modules high on floating platforms and up to 6 modules high on fixed platforms.
- True to dimension laydown footprint - includes utility extensions and doorways.
- Up to 500 mbar blast rating available.

Maximize Worker Safety

- A60 fire rated and optional H60/H120 fire rated construction.
- 2 automatic fire dampeners.
- Standard fire detection and PA/GA in each module with optional gas detection.
- Optional gas detection - LEL, H₂S, CO.
- Optional alarm integration to host vessel.
- Multiple egress capable - multiple exit routes.

Designed for Safe and Easy Deployment

- Twist lock installation.
- Single side utility connection simplifies installation.
- ISO connectors for stacking and securing.
- Recessed ends mitigate risk of injuries and accidents.
- Optional black and grey water separation.
- Separate saltwater and potable water connections available.
- Plug & Play connections for PA/GA, Fire & Gas detection, power, data, for reduced offshore set up time and lower costs.

Specifications

Dimensions/Weight:

- 42'L x 12'W x 10'H – 49,000/65,000 lbs
- 40'L x 10'W x 10'H – 42,000 lbs
- 25'L x 12'W x 10'H – 31,000 lbs
- Various Configurations Available – Please Ask

Structure:

- ABS Guide for Portable Accommodation Modules
- ABS Rules for Building and Classing Offshore Installations
- ABS Guide for Building and

Classing Floating Production Installations

- ABS Rules for Building and Classing Mobile Offshore Drilling Units
- Rules for Building and Classing Steel Vessels
- Rules for Building and Classing Steel Vessels Under 90 Meters (295 feet) in Length
- Rules for Building and Classing Steel Barges

Transportation:

- Fitted with ISO connectors

- Pad eyes for single point lift - meets ALL stringent ABS/USCG structural requirements

Bulkheads:

- Fire Rating: A60
- Optional H60, H120

Fire & Gas:

- F&G Detection
- F&G Alarm (Optional)

Fire Damper:

Electro-Mechanical Actuation

Protection System:
Exterior Class I/Div II Available

Power Requirements:
3 Ph
208-480V

Climate Control:
1 AC System/ Bedroom
